Earth Day
April 22, 2014

Local to Global Citizen Science
Picture Posts Capture all Variety of Landscapes!

There are over 140 Picture Posts and growing! Earth day photos are from posts at:
Grand Trunk Trail, Annette’s Yard #2, University of Idaho, GTM NERR Oyster Restoration, Discovery Center, and Winkel Chestnut Farm.

Pictures show local conditions and are used to monitor climate effects on seasonal changes in the landscape.
